

INTERREG CROSS-BORDER COOPERATION V-A AUSTRIA-CZECH REPUBLIC FOR PROGRAMMING PERIOD 2014- 2020

Initiative for the promotion of research and innovation capacity of veterinary service in poultry production

ABOUT THE PROJECT The main goal of the project is to increase and improve poultry products in the region. The importance of this goal is reflected in the worldwide increased demand for poultry products, especially poultry meat. A prerequisite for increasing production is the health of the animals and the associated welfare.
